RE: Freedom of Information Act Request EPA-R9-2013-009284

Dear Ms. Pena:

This is in response to your Freedom of Information Act request for any available files located for Engineering & Research Associates Facility, 100 North Tucson, Tucson, AZ 85716.

Based on your request, we searched a database used by EPA to track activities conducted under its Superfund Program. CERCLIS contains only potential hazardous waste sites that have been brought to EPA's attention. We also searched hard copy files. We have no records responsive to your request. The information you have requested is not in the EPA Region 9 CERCLIS database or hard copy files.

You may appeal this no records determination to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: [hq.foia@epa.gov](mailto:hq.foia@epa.gov). Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal may include as much or as little related information as you wish, as long as it clearly identifies the determination being appealed (including the assigned FOIA request number - EPA-R9-2013-009284) For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any questions, please contact Joan Simmons of this office at 415/972-3091.

Sincerely,

  
for Enrique Manzanilla  
Director  
Superfund Division
